Work description.

Sami Daouk has returned from his vacation and as such I am officially off the field. Bill Casey who had set a January 31st deadline for me, has now extended this deadline to February 7th.

In the meantime, I am to continue with my report writing.

One final note from Dutra is that talking to Mike Eddy informing him about my pending departure from the Project, he told me that they have begun the placement of the extra reinforcing steel in the exterior closure pour locations (8 of them).
